A PARENT'S GUIDE TO ISHCMC

Welcome to ISHCMC: The Original International School in Vietnam

Founded in 1993, ISHCMC is proud to be the first international school in Vietnam and the country's first IB World School. With more than 30 years of educational leadership, ISHCMC continues to innovate, inspire, and prepare students for a future of global impact.

What Sets ISHCMC Apart

A Legacy of Leadership in Learning

- The first international school in Ho Chi Minh City
- Over three decades of academic excellence and innovation
- A trusted name in international education across generations

A Full IB Continuum from Early Years to Graduation

- One of the few schools in Vietnam authorized to offer all three International Baccalaureate programmes:
 - Primary Years Programme (PYP)
 - Middle Years Programme (MYP)
 - Diploma Programme (DP)
- The IB continuum builds a consistent foundation in inquiry, critical thinking, and global citizenship
- Designed to develop lifelong learners who are confident, compassionate, and future-ready

World-Class, Internationally Trained Faculty

- 100% of teaching staff are international
- Educators from over 20 countries with deep IB experience
- Passionate mentors who guide, challenge, and support every learner

Holistic Learning Environment Focused on the Whole Child

- Strong focus on wellbeing, student voice, and identity
- Dynamic programs in arts, sports, leadership, and service
- Innovative, purpose-built learning spaces across two vibrant campuses

Academic Excellence with Purpose

The IB curriculum empowers students with real-world skills and future-ready mindsets

Personalized learning pathways ensure every child thrives academically and personally

Consistently strong DP results with graduates attending top global universities
